### Embossed Labels

Embossed graphics on either silver or gold foil paper. To enhance detail, you may choose any of the following hot stamped backgrounds: black, red, green, blue or matte. **We highly recommend using a matte or colored background to increase contrast.** See example at top of page. Please be sure to indicate type of background desired.

Fine detail may be lost in the embossing process. For best results, we recommend bold graphics with a color or matte background, and text no smaller than 9 points.

Labels are wound to 500 or 1000 per roll as determined by our production facility. For specific rewinding requirements call or write for pricing and availability.

**Production Time:** *Approximately* 7 working days.

### OPTIONAL SERVICES:

**Art Preparation:** No art charge will be added if approved digital art is submitted. See pages 118-120. Prices shown include factory art preparation of straight line copy set in our standard type styles. Non-digital artwork add \$48.00 (C) on first order only.

**Copy / Color Changes:** Not allowed.

**Material Changes:** Material changes are available at the combined quantity price plus \$34.00 (E). Each change must be in multiples of 500. Emboss and background must remain the same on the entire order.
