Chrome, Gold & Brushed Chrome Polyester Identification Decals

Screen-printed on pressure-sensitive gold, chrome, or brushed chrome polyester, with permanent adhesive. Available in Black, Fire Red, Emerald Green and Ultra Blue. Black ink will be used unless customer specifies otherwise. **Ink will be printed reverse or positive as shown above unless otherwise specified.**

**Gold polyester has limited resistance to light and will fade to silver. For more details contact your customer service representative.*

Production Time: *Approximately 7 working days.*

Approximately 10 working days if consecutively numbered.

OPTIONAL SERVICES:

Copy/Color Changes: Copy or color changes are available at the combined quantity price plus \$34.00 (E) per each change. Copy and color changes cannot be combined on the same order. Item number and material must remain the same

on entire order. Each change must be in multiples of 250.

Art Preparation: No art charge will be added if approved digital art is submitted. See pages 118-120. Prices shown include factory art preparation of straight-line copy set in our standard type styles. Non-digital artwork, add \$48.00 (C) on first order only.

Black consecutive numbering is available on the items indicated above. See below for consecutive numbering price.
